WHY CRYSTAL

Four Strategic Pillars

Innovation & Tracking

Full real-time GPS tracking, all the way to final confirmation.

Real Consulting

We analyze your business needs to optimize routes and costs.

Global Coverage

Europe, Asia and America, under one single contract and coordinator.

Flawless Execution

Permits, escort and route surveys, fully managed by our own team.

International Road Transport

Our own fleet and a trusted partner network for any type of cargo, full truckload or groupage, across Europe.

Full Truckload (FTL)

Dedicated trucks for full loads, with fast departure across Europe.

Groupage (LTL)

Partial loads consolidated intelligently, you only pay for the space you use.

ADR, Dangerous Goods

ADR transport with certified drivers and complete documentation.

Reefer, Temperature-Controlled

Perishable cargo at constant temperature, monitored throughout the route.

National Distribution

Fast, wide-reaching deliveries across the country, with real-time tracking.

Import & Export

Fully managed international flows, including customs formalities.

WE ALSO COVER

Other Road Services

◆ Bulk cargo transport

◆ Tanker transport

◆ Containers on chassis

◆ International relocations

◆ Vehicle transport

◆ Express transport

SPECIALIZED DIVISION

Special Transport & Project Cargo

Turnkey industrial projects with a dedicated coordinator: route survey, permits, escort and transport, fully managed for 12 strategic industries.

TURNKEY PROJECTS

From Route Survey to Delivery

We transport exceptional equipment and structures, from railway wagons to industrial machinery, with cranes, escort and permits fully coordinated by a dedicated project manager.

Oversized & Out-of-Gauge

Exceptional, oversized cargo with a full route survey and escort.

Heavy Haulage

Exceptional tonnage on hydraulic modular trailers and SPMTs.

Urgent & Time-Sensitive

Critical deliveries on an urgent basis, with round-the-clock coordination.

Industrial Relocations

Complete turnkey relocation of industrial lines and equipment.

INDUSTRIES SERVED

12 Strategic Industries

◆ Renewable energy

◆ Oil, gas & petrochemicals

◆ Construction & infrastructure

◆ Aviation & defense

◆ Conventional energy

◆ Mining & steel

◆ Naval & maritime

◆ Railways

◆ Chemical industry

◆ Manufacturing

◆ Agriculture

◆ Modular construction

Vehicles for Every Project

We match the trailer to each piece of equipment, from standard platforms to hydraulic modular trailers and self-propelled SPMTs.

Flatbed Platform

3 axles · general cargo, side loading

Lowbed Trailer

3 axles · tall machinery, low deck

Semi Low Bed

3 axles · low height, large gauge

Extendable Trailer

4 axles · very long loads

Lowbed Gondola

4 axles · very low deck, tall loads

Hydraulic Modular

6 axles · configurable, hydraulic suspension

Hydraulic Modular

8 axles · heavy tonnage, steerable axles

Mega Trailer

3 axles · large volume and interior height

Lowbed Trailer

4 axles · heavy loads on 4 axles

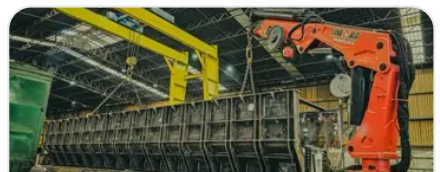

Extendable Trailer

2 axles · variable lengths

Vessel Trailer

6 axles · boats and vessels

Hydraulic Modular

10 axles · exceptional tonnage

Dolly

2 axles · extra axle for heavy loads

Wind Blade Adapter

3 axles · wind turbine blades

Ballast Tractor Unit

4 axles · traction for heavy convoys
